Nine Patch Quilt Cake

Materials/Equipment Needed:

- Ready-to-go unfrosted 8- or 9-inch square cake
- Vanilla frosting ingredients or prepared frosting
- Variation: Colored frosting for piping in tubes, decors, licorice string, coconut, chips, nuts, colored sugar
- Recommended book for children about quilts
- Quilt book with easy nine-patch pattern examples using triangles and squares.
- A square blank paper divided into 9 squares

Ingredients:

1 cup sugar
½ cup butter
4 egg whites
½ teaspoon vanilla
¼ teaspoon salt
2 teaspoons baking powder
2 cups cake flour
2/3 cup milk

Activities:

- Read together a recommended children’s book about quilts. Show a picture of nine-patch quilt pattern.
- Provide paper nine-patch patterns. Have child imagine which squares will be patterned and which will be blank to make a pattern. What do they want to design on the patterned squares? They may want to simply color triangles and squares to make a pattern.
- Spread a thin layer of vanilla frosting over each square cake's surface.
- Using decorator icing or string licorice, divide into nine equal squares.
- Use the paper plan to begin their quilt cake design. Provide decors, frosting, colored sugars, (link to colored sugar http://www.homebaking.org/familyfun/preschool_2003.htm) nuts, chips, coconut.

BAKING ACTIVITY: Nine Patch Quilt Cake
Many people begin quilting with the nine-patch quilt. There’s room for many different combinations of patterned and plain squares and triangles.
White Layer Cake

1 cup sugar
½ cup butter
4 egg whites
½ teaspoon vanilla
2 cups cake flour
2 teaspoons baking powder
¼ teaspoon salt
2/3 cup milk

In large mixing bowl, gradually add sugar to butter, mix until light and fluffy. Add unbeaten egg whites one at a time; mix well after each addition. Blend in vanilla. Sift or combine cake flour, baking powder and salt in separate bowl. Gradually add combined dry ingredients alternately with milk to sugar mixture. Pour batter in a greased 9x13-inch baking pan. Bake at 350 degrees for 35 to 40 minutes. Cool completely before decorating.

Let's create a quilt on cake for starters!

- Bake one, 9-inch or 9x13 cake. (Use White Layer Cake recipe, a favorite recipe or mix.)
- Frost the surface of the cooled cake with a thin layer of frosting.
- Divide the cake with piped frosting or licorice string into nine or 12 even squares (make 12 squares for the 9x13-inch cake) to create a patch quilt pattern on the top of the cake.

Option: Use frosting, food-colored coconut, decors and other edible pieces, to create patterns and decorate the squares of your own quilt cake!

Example: Simple Nine Patch Pattern

Creamy Vanilla Frosting
3 cups powdered sugar
1/3 cup butter or margarine, softened
1 ½ teaspoons vanilla flavoring
About 2 tablespoons milk

Mix powdered sugar and butter or margarine. Stir in vanilla and milk. Beat until smooth and spreading consistency. Divide and color for decorating, as desired.
